**Materials:**  
Index card  
Crayons or markers

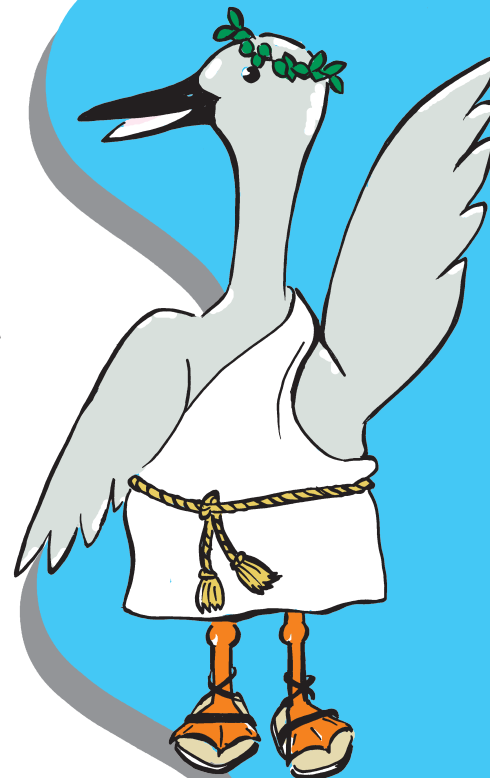

1. Select one of these birds:  
Hummingbird wintering in Mexico  
Barn Swallow wintering in Argentina
2. Create a picture of Mexico or Argentina with crayons or markers on the blank side of the postcard.
3. On the other side, write a note to you from the bird you chose.

## WILD Facts

Purple Martins don't stop to eat when migrating. They catch bugs as they go!

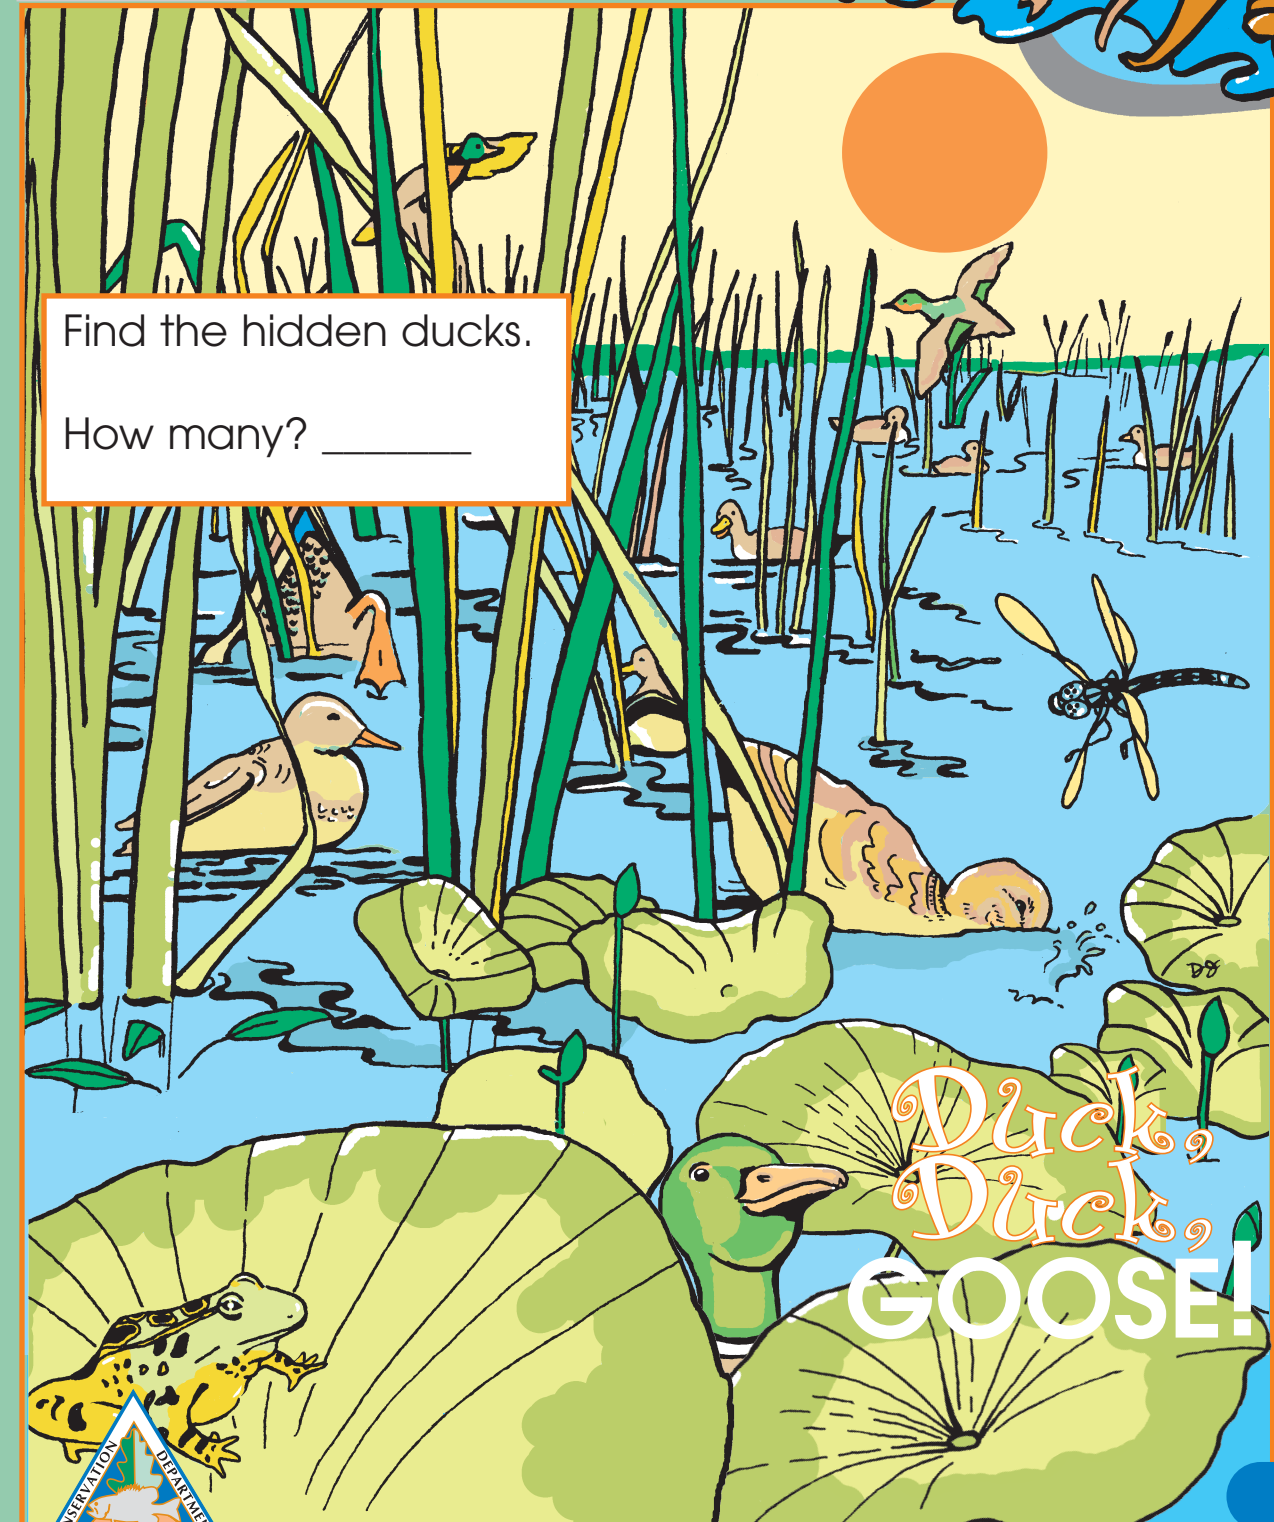

## BACK IN Time

Birds have been using the same flyways for thousands of years.
